Airod Aerospace Technology

## TECHNOLOGY

YOUR MRO SOLUTIONS PARTNER

# ABOUT US

Airod Aerospace Technology (AAe), a subsidiary of AIROD commenced its operation in 2012 as a commercial MRO specializing in narrow body aircrafts.

As an independent MRO, AAe is dedicated in providing quality and competitive labour rates, ensuring a reliable and fastest turn-around-time (TAT) along with superior customer service.

## VISION

To be the leading MRO service provider in the region.

## MISSION

To be a profitable and sustainable MRO Centre of excellence with a recognized branding and destination of choice for aircraft maintenance.
